Parent/Educator Meet & Greet

On Saturday 25th January, we hosted our annual parent and educator meet and greet.

Parents met with class and subject educators to establish good relationships as the academic year began.

Our academic platforms were demonstrated to assist parents in using the platforms.

Platforms include:

- D6 Connect
- Google Classroom
- Resolute Robotics
- Reflective learning

Learners enjoyed a day in the sun with a waterslide and multiple activities to participate in with our school coaches.

Thank you to all the parents who attended this special event.

Inter-schools Athletics

Last week we competed in multiple Inter-schools athletics events with our sister schools (Royal Schools Alberton, Royal Schools Princess Park and Royal Schools Queens).

Our athletes and coaches worked hard in preparation for these athletics events.

We are proud to announce that Royal Schools Sky City took home the trophies for Foundation Phase, Intersen Phase and High School athletics.

Congratulations to team Sky City on your excellent performances.

We are looking forward to our league Athletics events starting this week.

Benny the anti-bullying bunny

Our Pre-Primary, Foundation Phase and Intersen Phase learners had a visit by Benny the anti-bullying bunny. Benny put on a lovely performance showing learners the dangers of bullying, as well as the importance of reporting bullying.

Matric Motivation Evening

Our annual Matric Motivation Evening was held on Friday 31st January.

The Grade 12 learners and parents signed their Matric pledge committing themselves to the hard work and dedication needed in a Grade 12 year.

The Grade 12 learner's then gave an outstanding performance to their chosen motivation song for 2025.

Thank you to all the educators, SMT, learners and parents for a memorable event.
